For: Control of Integrated Supply Voltage Regulation Due to On-Chip Internal Resistance Fluctuations in Integrated Circuits

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Office Action mailed on 02/26/09 contains an Examiner's Statement of Reasons for Allowance. The Statement appears to refer to the subject matter of now allowed independent claims 13, 23, 33, and 34. However, the Statement cites only a portion of the claim language. The Applicant submits that each of independent claims 13, 23, 33, and 34 recites additional language. To that extent, the Applicant objects to the Statement.

In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences.

For each of these reasons individually and for all these reasons collectively, the Applicant objects to the Statement.

Respectfully submitted,

Date: 11/23/2009
